

TANYA SINGH

EDUCATION

**B.Tech – Computer Science Engineering
(Information Security)**

VIT Vellore | GPA: 8.4

St. Michael's High School, Patna

 **+9508323070**

 **TANUSINGHVIZAG@GMAIL.
COM**

 **PATNA, BIHAR**

TECHNICAL SKILLS

• C,C++,JAVA, PYTHON

• HTML, JAVASCRIPT
(LEARNING)

• CORE CS SKILLS:

1. DSA

2. OOPS

• TEAM MANAGEMENT

LANGUAGES

• ENGLISH

• HINDI

PROFILE

Software development enthusiast and 2nd-year CSE student with strong DSA and programming skills. Seeking opportunities to gain real-world experience through projects and internships.

PROJECTS

1. Fastest Route Finder (DSA Project)

- Implemented Breadth-First Search (BFS) to compute shortest paths in graph-based networks
- Applied graph traversal concepts to optimize routing efficiency **Tech: C++, Graphs, BFS**

2. Automatic Toll Booth System

- Developed an Arduino-based automated toll system using IR sensors
- Reduced manual intervention through sensor-driven automation **Tech: Arduino, IR Sensors**

3.College Recommendation Chatbot (Smart India Hackathon)

- Built a chatbot to recommend colleges based on user preferences
- Applied text-processing techniques to simulate intelligent responses **Tech: Python, NLP**

4. Array Pattern Analyzer (DSA)

- Simple tool to detect array patterns & operations. **Tech: C/C++**

EXPERIENCE / ACTIVITIES

- Senior Core Member – Events Domain, LHSC (Ladies Hostel Student Committee)

- Participated in Smart India Hackathon (SIH)

DELOITTE – DATA ANALYTICS VIRTUAL EXPERIENCE

FORAGE | DEC 2025

- Completed practical tasks in data analysis and forensic technology
- Certificate of Completion
